Honorable Mention Award Winners

Whittington Gallery

Camden, SC
whittingtongallery.com

Category: Residential Furniture Freestanding

Specialty: Handmade antique furniture

Project: The "Grande Champion"

Project Notes: Crotch mahogany and cherry were used to fabricate this headboard which features fine detailing achieved by using an assortment of jigs and patterns.

Andrew Pitts - FurnitureMaker

Heathsville, VA
andrewpittsfurnituremaker.com

Category: Residential Furniture Freestanding

Specialty: Contemporary hardwood furniture

Project: Large Sideboard

Project Notes: This solid wood sideboard has a carcass of walnut and red oak. The legs are cherry and the top is a frame of walnut with panels of ambrosia maple.

Gary David Woodworks and Design

Galena, IL
garydavid.net

Category: Residential Furniture Built-In

Specialty: Studio furniture and bars

Project: Bar for a home on an Iowa bluff top overlooking the Mississippi River

Project Notes: White oak and Iowa walnut were used to fabricate this bar. The 24-foot curved top was constructed using strip lamination. The series of carvings on the front represent a theme of the Mississippi River.

Culin & Colella Inc.

Mamaroneck, NY
culincolella.com

Category: Residential Furniture Built-In

Specialty: Architectural Woodworking — kitchens, libraries and media rooms

Project: Breakfast Bar & Billiard Room "Parlor" Piece

Project Notes: This project features avodire solids, white ash burl panels and figured makore pilasters. The breakfast bar doubles as a parlor hutch for billiards.
